Sir:

Applicant wishes to thank Examiner Kimberly Lovel for the time she spent discussing this case over the telephone with Applicant's attorney, Marc E. Brown, on June 5, 2008. Applicant explained that the combination of Chin and Palmer did not yield the invention of Claims 1 or 9. Applicant also pointed out that there was no reason to modify Chin to have had importers compare the U.S. Customs Form 7501 in Chin to an independent importer database. The examiner indicated that she would give consideration to Applicant's comments.
